Ms. Brumbaugh asked Trustees for feedback regarding the graphed statistics presented. Mrs. Kauth stated that she doesn’t need to see a graph. Other board members wanted the graphs, but felt that the current format is too busy and no longer helpful. Ms. Brumbaugh noted the Board’s feedback and agreed to experiment with additional formats for the Trustees to review in September.

**ACCENTUATE THE POSITIVE:**

There was discussion about the re-branding of the Teen Space from The Hive to the Sandbox. Ms. Abron noted that there had been confusion with the Library’s Hive with a local business named The Hive in town, so there was a need to re-brand the space.

**UNFINISHED BUSINESS**

a. Diversity & Inclusion Committee

It is noted that the Trustee Bylaws need to be updated to include a Diversity and Inclusion Committee. Potential meeting dates were discussed. They agreed that the Committee should review and discuss the events and partnerships the Library supports with programming and Staff/Trustee time.

Ms. Kauth inquired why some sections are blank. It was noted that there were some sections that relate to Municipal Libraries, which are not relevant to Zion-Benton Public Library as it is a Library District.
