There were questions raised around a few of the checks and bills presented in the packet. Mr. Jacobsen clarified any questions that were asked. Ms. Mull inquired about ProData and what the plans going forward were going to be. Mr. Jacobsen explained that the library was coming up on one of the free payrolls, and that the library is currently still checking on other options very carefully
Ms. Kauth stated that when the current contracts come up for renewal, she would like the library to explore options for cleaning and landscaping. Mr. Jacobsen said that when any contract is up, it is reviewed and compared to other options.

**LIBRARY DIRECTOR’S REPORT:** Mr. Jacobsen presented the statistical, narrative, and incident reports for August 2018.

Statistical: Ms. Kauth mentioned that she would like to see ZBPLD statistics presented with both CCS loans and ILL to better understand our reciprocal borrowing patterns. The board reviewed the narrative and incident report. Ms. Mull asked about Learning Gym and how that was going. The board also mentioned that the Diversity Committee plans to meet in the near future.

Chapters 9 & 10 of Trustee Fact Files 3rd edition were discussed. Ms. Kauth brought up the wheelchair accessible portion of the circulation desk and how it is not being used as such. Ms. Kauth also asked about potentially having parking spots for those with special needs out front of the library on the street rather than just in the lot. Mrs. Driver mentioned that these spots out front could be tricky to get due to it being a city street rather than a private lot.

**NEW BUSINESS:**

The representative from Ehlers spoke with the board about the library’s current investment policies and explained what each section did and why it did such. There was some discussion on what the library can do in terms of investing, how things are going with current investments, and what he recommends for the future.

The Surplus Materials Policy was brought to the attention of the board for review. The policy as presented to the board with changes would allow the director and authorized staff to make decisions regarding certain materials rather than needing to ask the board about each item. Board Bylaws were also brought to the board’s attention. Seeing how other library bylaws are written as well as what is contained to what detail is something Ms. Kauth would like to see done and compared with ZBPLD’s bylaws.

The new youth shelving was presented to the board. Ms. Kauth mentioned that she would like the items on these shelves to be treated as the board books are in terms of circulation. Ms. Driver motioned to approve the purchase and installation of the new shelving for the youth department. Second: Ms Onan. Roll Call: Aye: Driver, Holmes, Martin, Mull, Kauth, Onan, Sandoval.
