LIBRARY DIRECTOR’S REPORT: Ms. Holmes had a question about the snags encountered with ADP. Mr. Jacobsen explained that they are being handled and the team is exploring an alternate payroll platform that may better serve our needs. Mr. Jacobsen also mentioned that due to staffing changes and
equipment upgrades, certain statistics became unavailable for November and December 2018. Mr. Jacobsen hopes to have these numbers in the next board packet. Mr. Jacobsen also pointed out that the departmental reports are now condensed, and provide more program highlights and less duplicate statistics.

Members of the Board are very grateful for the Tentative Fiscal Year Board Calendar.

The library responded to a Statement of Concern about the Library's Collection.

The Library received a Thank You Letter from Rep. Brad Schneider’s Office for allowing them to set up a community table in our lobby to reach constituents. This action has also encouraged other politicians to use our space to reach their constituents.
